Power Spikes Three Cash Registers

Loss Details

Nature of Business:	Sports club
Type of Equipment:	Cash Registers
Age of Equipment:	Unknown

FINAL LOSS

Settlement Amount: £4,583

Midway through a weekday afternoon shift at a sports club, three of the club's cash registers suddenly shut off. Attempts at turning them back on were unsuccessful. An electrical spike of unknown origin had damaged the internal wiring and circuits of the three cash registers, which were computer linked. Each cash register cost £1,527 to replace, which was a cheaper option than repair.
